You have received this message because you are a RAOB owner or friend. If you received this message in error or no longer desire to receive these messages, just respond to this message by indicating REMOVE in the Subject or Body of this message.

For RAOB 6.2 users only. The latest version contains serial numbers beginning with 6276, so if the first 4 digits of your RAOB serial number are less, you should download the latest program update using RAOB's Help menu (RAOB Program Updates) for the download link, or just use this direct link: <http://www.raob.com/filelinks/raob62update.htm>  
There are no new updates this month.

RAOB User Hint. Did you know that you can add and delete sounding temperature & wind data with a mouse click? Just use the CTRL key with mouse clicks to quickly modify the sounding profile. For more information, see the last 2 options under the EDIT Menu. This capability requires use of the optional Hodograph & Interactive module ...
