

RAOB Friends & Users:

November 2013

You have received this message because you are a RAOB owner or friend. If you received this message in error or no longer desire to receive these messages, just respond to this message by indicating REMOVE in the Subject or Body of this message.

RAOB News. The new RAOB 6.3.1 program has been released. A summary of program additions and enhancements can be found here ... [www.raob.com/enhancements631.php](http://www.raob.com/enhancements631.php) For those RAOB customers who have made purchases for the 6.1, 6.2 and 6.3 program versions, you should have already been contacted regarding discounted or free upgrade offers. If you have not been contacted but wish to verify your upgrade eligibility, please provide your RAOB user name and serial number. The program serial number can be found under the Help menu, 'About RAOB...' DO NOT respond to this message as it will not be answered. All requests must be sent to [wxx@raob.com](mailto:wxx@raob.com)

RAOB Module Sale. Use this link for the Advanced Merge Module 25% off sale during 1-10 November ... [http://www.raob.com/sales/sale\\_201311.pdf](http://www.raob.com/sales/sale_201311.pdf) Here is a description of the Advanced Merge module ... <http://raob.com/merge.php> If you already have the Standard Merge module, the 25% discount will also be applied to the upgrade option.

RAOB User Hint. If your sounding data does not fit one of RAOB's 50 data decoders, you can always process ANY sounding data using RAOB's easy-to-use CSV format ... [http://raob.com/data\\_formats.php](http://raob.com/data_formats.php)

RAOB Customer Quote of the Month: from a long-time customer with unique data processing needs, 'I must say, you provide the absolute best customer service I have ever seen!'

RAOB 6.3.2 Beta program. Development of the new RAOB Beta program has just begun and will be available for use beginning next month.

-----  
Important ... If you have program comments or questions, please send them using a separate message to [wxx@raob.com](mailto:wxx@raob.com)
