RAOB Friends & Users: November 2015

You have received this message because you are a RAOB owner or friend. If
you received this message in error or no longer desire to receive these
messages, just respond to this message by indicating REMOVE in the Subject or
Body of this message.

For RAOB 6.5 users. This is the last update for the RAOB 6.5 program, because
the new RAOB 6.6 program is now the official distribution edition. You can
download this last v6.5 update at any time using RAOB's Help menu (RAOB
Program Updates) for the download link, or just use this direct link:
http://raob.com/filelinks/raob65upgrade.htm

RAOB Program News. With the release of the new RAOB 6.6 program, many new
and improved features are now available > http://raob.com/enhancements66.php
All those eligible for a free v6.6 upgrade or those eligible for discounted
upgrades were already notified by email. If you were not notified and you
believe that you may be eligible for an upgrade, please contact ERS at
wxx@raob.com and provide your RAOB serial number.

RAOB Module Sale. Use this link for the Cross-Section module's 25% off sale
during 1-10 November 2015 … http://www.raob.com/sales/sale_201511.pdf   Sale
is valid for the Standard and Advanced Cross-Section modules.

RAOB User Hint. RAOB's unique Severe Weather Alert system can be configured
to automatically email and/or text alert messages >

RAOB Customer Quote of the Month, from Colombia: 'Some ten years ago I used
some demo version of the RAOB for teaching purposes, and it just was
wonderful. Now that I have been practicing with the present RAOB these days
to gain familiarity with all its functionalities, I must say that it's really
a fantastic tool. We are very happy and wanted to congratulate you.'

RAOB Customer Corner. RAOB is used to study an English hailstorm >

RAOB 6.7 Beta program. The RAOB factory has been retooled as work on the new
RAOB 6.7 program has started. This will be the 23rd consecutive year of
continued atmospheric sounding processing innovations along with responsive
technical support. If you have made a RAOB 6.6 purchase, you are eligible to
use the 6.7 Beta program now since you will be eligible for this free upgrade
when RAOB 6.7 is released next year. If you want to use the RAOB 6.7 Beta
program now, or are not sure of your eligibility, just contact wxx@raob.com
and provide your RAOB serial number. Use this link to view the complete list
of RAOB Beta enhancements > http://raob.com/raob67beta.htm

Important … If you have program comments or questions, please send them using
a separate message to wxx@raob.com
