

RAOB Friends & Users:

December 2015

You have received this message because you are a RAOB owner or friend. If you received this message in error or no longer desire to receive these messages, just respond to this message by indicating REMOVE in the Subject or Body of this message.

For RAOB 6.6 users. The latest version contains serial numbers beginning with 6657, so if the first 4 digits of your RAOB serial number are less, you can download the latest program update at any time using RAOB's Help menu (RAOB Program Updates) for the download link, or just use this direct link: <http://raob.com/filelinks/raob66upgrade.htm>

RAOB Module Sale. Use this link for the Fronts & Forecast module's 25% off sale during 5-14 December 2015 > http://www.raob.com/sales/sale_201512.pdf

RAOB User Hint. When the lights go out and sounding forecasts stop, RAOB's unique manual capabilities lets you continue to create and analyze sounding profiles, especially if you have access to climatological sounding data. And with the optional Fronts & Forecast module, you can create reliable short-term forecast soundings > <https://www.youtube.com/watch?v=zzkMu0nHFQE>

RAOB Customer Quote of the Month, from R.Bianchi: 'Love what you have done with this program, GREAT WORK!! You should be proud of this great piece of software for all of us in all sectors of Meteorology. It has come a long way and keeps getting better and better for students, operational Mets in Government, private and academia sectors. Nice work!'

RAOB Customer Corner. RAOB helps study a severe hailstorm in Nepal > <http://pubs.sciepub.com/jgg/3/6/1/index.html>

RAOB 6.7 Beta program. RAOB now has a TKE PBL turbulence option > <http://raob.com/tke.php> < for drone/UAV and related support needs. If you have made a RAOB 6.6 purchase, you are eligible to use the 6.7 Beta program now since you will be eligible for this free upgrade when RAOB 6.7 is released next year. If you want to use the RAOB 6.7 Beta program now, or are not sure of your eligibility, just contact wxx@raob.com and provide your RAOB serial number. Use this link to view the complete list of RAOB Beta enhancements > <http://raob.com/raob67beta.htm>

Important ... If you have program comments or questions, please send them using a separate message to wxx@raob.com
